

ORIGINAL[®] Plymoth

Chemikus D. 75/100mm. Wall/Ceiling mounting. 1m/1.3m/1.6m.

Soldering, Gluing and Laboratories

Chemikus extraction arms are designed to extract smoke, gas and light dust from soldering, grinding, gluing and laboratory work.

Free Airflow in the Hose

Chemikus has the support arm outside. Nothing in the hose to disturb the airflow. The hose has a smooth inside. It is easy to dismantle the hose, to clean it, if necessary.

Perfectly balanced.

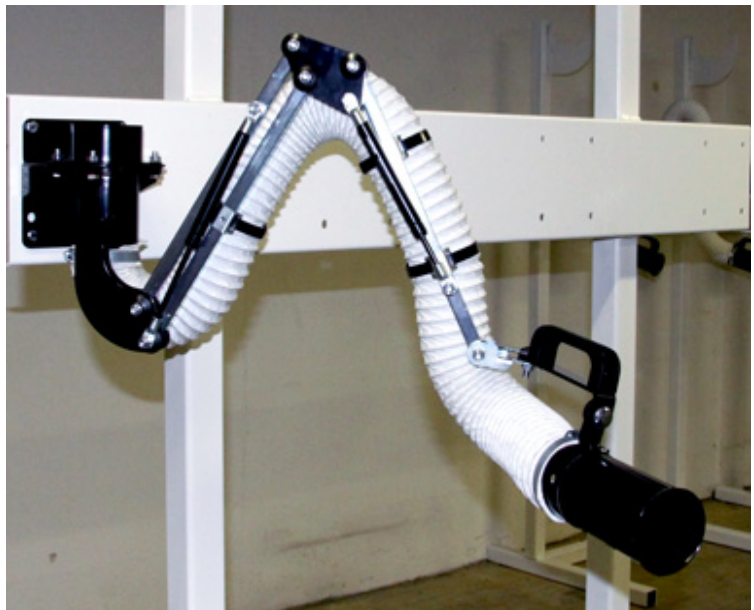

The external hydraulically suspended parallelogram arms are the secret. The hood is very easy to move and 100% stable in all positions.

Wall or Ceiling mounting

Chemikus can be mounted on the wall or in the ceiling with the included standard bracket. 360° turning flange. Outlet with d.80mm inside for Chemikus d.75mm and outlet d.100mm inside for Chemikus d.100mm is included.

40 Years Experience.

40 years experience of design and manufacturing at your service. The Plymoth products are a combination of well-proven technique and progressive new ideas.
